Season Completed

Trelawny Division 3

3rd - Four Lanes (A)
 Thurs 8th - Redruth Athletic (A)
 TBC - Lanner (A)

LADIES DAY

The 3rd annual ladies day was a huge success and with the glorious sunshine it saw more than 40 ladies enjoy a pamper day on St Day AFC. Wine, cake, strawberries, free hair, free nails were all on the list. A massive thank you must go to Caz King from Star Cuts, Vogue for helping do ladies hair on the day along with Rianne Haines who was looking after Ladies nails. A special mention to Teresa Leah & Penny Haines who baked and created all the cakes and food for the day. A glorious day which saw even the 2nd team goalkeeper get involved and wear a pink strip for the game, which also ended in St Day's favour winning 4-1.

Ideas are being sought for next year, what do the ladies of this club want? Day event or even a night event. Any ideas will be gratefully received.

THE FUTURES' FINALS

The future stars of St Day AFC head to Helston FC on Sunday to play in the first youth finals for St Day Youth AFC for 30 years.

Breakfast for all players will be laid on at the club from 8:30-9:30am. The kitchen will also be open. Thanks to Claire's Castles each player & coach will be provided with a special edition club polo top. The club have also laid on a bus to take both the U11s & U12s to the game. The bus will leave Vogue Park at 10am sharp.

St Day Miners v Illogan U12s
11:30am KO

St Day Choughs v St Ives Dynamos U11s
1pm KO

Support from the whole club is being urged for the whole day.

CONSECUTIVE COMBINATION CUP CHAMPIONS

St Day defeat opposition for a second consecutive Easter Sunday at Porthleven to regain the Jolly's Combination League Cup. After going 1-0 down against mullion 3 goals from set pieces was enough to secure the win. Mullion played great football and were probably classed as the better side on the day but fortunately for us couldn't convert their chances.

The Saints will now travel to Nanpean FC on Sunday 18th May to hopefully regain the Evelly Cup trophy. We play the winners of the East Cornwall League Cup, who are Torpoint Athletic Reserves FC who defeated Millbrook 5-0 also on Easter Sunday at Blaise Park. We also defeated Millbrook 5-3 on penalties (4-4 aet) in the 1st round of the Cornwall Senior Cup back on the 5th October. This makes for an interesting game on the 18th May. A bus will be running from the club at a cost of £10pp

Presentation Evenings

Child - £2.50

Buy tickets from any Youth Committee member asap.

ADULT

Saturday 7th June
 Lowenac Hotel
 £15 pp
 See Adrian Walters

SAINTS SET TO APPOINT STURDY PAIR.

St Day are pleased to announce that Steve Roscoe & Antony Reynolds have accepted the committee's invitation in the running of St Day 1st team for the 2014/2015 season. The approval of the full committee and managers will be confirmed on Tuesday 6th May. Keep an eye on the website for news.

The two can bring a wealth of experience & although Steve has been out of football since 2011, he is highly valued by many in the footballing world. Continuing to watch many local games, keep his hand in to the changes and as a former player of the club the whole committee & managers alike feel out of all the candidates interviewed he is the right man for the job.

Antony hasn't been out of the game that long, only this season taking charge of Truro City SWPL however it wasn't for him and he too is now seeking to build his relationship with Steve and St Day.

Both have been seen around the club in the past month as they have seriously thought about this decision and are happy with the future plans of the club and feel that they can now bring stability, togetherness and above all build further on the happy family environment we offer here at the club.

Interim managers Joff Mallaber & Nigel Ellis, regardless of the committee's decision will continue to take charge of the 1st team for the remainder of this season included the heavily awaited Evelyn Cup Final on the 18th May. The club cannot thank these two enough for what they have done including winning the Combination Cup for a second consecutive year. Both were talked to before seeking new managers and are both happy to stay at some capacity within the club. Steve & Antony are looking to keep what has already been built by these two gentlemen including keeping them both involved.

The club will be holding its AGM in the next few weeks and we urge all people to attend and have your say on the next 12 months at the club. The youth AGM date is set for Friday 4th July.

MONEY FOR EVERY GRAM
COLLECTED.

IT'S A BABY BOY...

A big congratulations to Nathan Taylor & Keda Richards on the birth of their very healthy baby boy, Cohen Ben Taylor. Born on Wednesday 23rd May, 7lb 13oz. St Day Youth presented the family with a signed card and 2 personalised baby grows, one containing the club badge the other the badge and all the details of Cohen as a keep sake. He was also given a youth signing on form to which his dad, Nathan signed, meaning that the newest member of St Day Youth signed when he was 3 days old, a club record!!!

Also some may not know our congratulations goes to former 1st team manager Scott Hopgood & wife Jo, although 3 weeks early they've been graced with the birth of a baby girl Lottie Mae Hopgood on Tuesday 22nd May.

Our thoughts are with you all at these very exciting times.

From all at St Day AFC
