### DINNER & DANCE 2015

A fabulous event that was a celebration from start to finish. The Marquee was packed with 264 people who all enjoyed free BBQ and then the presentation saw 137 trophies given out. Every child was presented with a keep sake

from the season and then the main trophy winners from each age group.

The adult night saw 80 people sit down for a delightful 3 course cooked meal on site and a special mention most go to Western Event hire who done the job with outstanding success. Trophies were given out to the 3 teams with special trophy from the club to Lee Gribble who has washed all 3 kits all season for free, to help the club boost finances. The 2nd team management to Simon Gumma for his commitment all season and fantastic communication. Finally to retire Fixture Secretaries Carol & Tony Evans. These two who have dedicated their life to the club were presented with engraved glassware.

Adrian Walters was presented with a plaque and his blazer for 25 Years Service. The blazer dons a silver club badge as a pose to the golden badge for the 50 years service of Dave Searle.

We hope to do this all again next year after many request from players, partners and parents. The quote of the weekend: "The best thing about this marquee is were having our D&D at HOME". This says it all, the whole event is at home and just why the committees decide to do special event at the end of a long, hard season.

Mark & Rianne are pleased to announce they were graced with the birth of a new baby boy on Thursday 2nd July at 6:08am weighting 6lb 10oz

He has been given a Cornish name of Massen (Pronounced Mason), meaning Mighty. He's full name is Massen William Michael Leah

### **WHY THE NAME??**

Q. Lots of people have been asking where the names of our youth teams come from?

A. They are all Cornish

With the yearly change of team age groups lots of clubs give their teams a name based on a topic or theme which follow them year after year. We have the following

MINERS (U14s in 2015/16)  
CHOUGHS (U13s in 2015/16)  
TINNERS (U11s in 2015/16)  
RAMBLERS (U10s in 2015/16)  
PIRATES (U9s in 2015/16)  
STEAMERS (U8s in 2015/16)  
CELTS (U7s in 2015/16)

We have an U6 team which currently only train but next year the parents will be asked to decide a name. Put your thinking caps on.

## **A LONG WAY DOWN**

During July/August one of our youth coaches, Kevin Burton and his friend Liam Matthews decided to take a car journey to John O'Groats only to come back on their bikes all the way to Lands End and all in the aid of charity. They have been training for this for 12 months, some days finishing work and then going on "a small bike ride" (their words) of 50-60 miles!!! They had to complete on average 130 miles everyday for 7 days. We are pleased to say they achieved their goal and crossed the finish line to many family a friends on Saturday 1st August. More importantly they raised approx £2,000. Well Done to you both.

Now Kev can you get back to coaching football please!
