SPONSORS DAY

As we reported at the beginning of the season sponsors day was going to take place towards the end of the season. With the turn of the New Year we are going to start to put plans into place and look to set a date next month.

We will look to hold it most probably some time in April however this decision has to be made by us all some time very soon.

We will keep you informed and would like to take this opportunity to invite everyone to the day. We will contact sponsors and look to supply food and entertainment on a day of packed football which we hope everyone can enjoy.

Watch this space for details very soon.

THIRD TEAM NEW LINE UP....

The committee would like to announce the new manager line ups within the club. We are very happy with Matt and Mark at the helm of the first team and with recent results it would seem that John and Darren are pulling the reserves in the right direction and working well with other teams & managers.

We had lots of interest in assistants to the third team, however we would really like to say thank you to Malcolm Thomas for stepping in to the new shoes of third team manager. We would also like to thank Jon for his massive efforts as always. Welcome to Shaun Gray as an assistant manager for the 3rd team to help on Match days to allow Jon & Malcolm to continue their playing careers.

**ULTIMATE
80s**

THE ULTIMATE PARTY EXPERIENCE.....

Thanks to Matt Harris, the club is offering a Adult weekend away at Butlins, Minehead. For your chance to book a very limited place, please see Adrian Walters or Matt Today.

The event which as you can see is an ULTIMATE 80s adult weekend, is a break which will take place on, FRI 25th, SAT 26th & return on SUN 27th May and will cost ONLY £150 (this includes accommodation and coach cost up & back), All you will obviously need is spending money, or Beer money!!!

At this present moment we are looking for the first 20 names and on receiving the names we will distribute more information on payment deadlines & a deposit amount.

Celebrate good times...

Stage an 80s rebellion second time around at Butlins with big-haired sounds. You really can't touch this.

So all you have to do at this present moment is get your name down with Adrian, but remember it's the first 20 names!!!!

SWANNIE IS ALL SMILES

I would like to say thank you to all of the 3rd team for your continuing support and a special mention to Jon Jordan for his loyalty and massive support. I hope that the players will give Malcolm Thomas, Jon & Shaun Gray the loyalty that they showed me and continue to make the club proud of all the players at St Day AFC.

To the 2nd team I would like to welcome Darren to the club and thank him very much for staying with the club. His enthusiasm that he has already shown, I am really pleased to be joint manager with him and I feel he is a great asset to the club.

To all players, for those that are St Day at heart and to those lads that are new to the club this season, thank you also for the great attitude you have shown to myself and the rest of the committee.

All that's left to say is good luck to all teams for the rest of the season, and I hope all teams are very much in mid table positions come the end of the season. Let's all strive to pull together and really put St Day AFC where it should be, very much at the top of football in St Day, and the local community.

Thanks once again

John Swan
