Club Secretaries / Managers / Coaches,

St Day Youth AFC would like to invite your teams to come and join us at our 6<sup>th</sup> annual football tournament, which will be played at St Day Football Club on Saturday 27<sup>th</sup> & Sunday 28<sup>th</sup> July 2019. We have been once again taken on feedback for our visiting teams and have made the following amendments; U7s-U12s will play 7 a side, U13s-U15s will play 6 a side and the two adult pitches which can include this season U16s will play 5 a side. The Sunday tournament will also run alongside two adult pitches in our annual Sheldon Mitchell 5 a side memorial tournament that has been running for many years now.

All youth age groups will be played with that number of players stated above with maximum of 3 subs. Each game played will be 6 mins each way. (This will depend on the size of the league and we aim to ensure each player has the opportunity of a minimum 1hr playing time.) There will be only 1 league per age group and we will look to take 6 teams maximum per league.

The Fair Play Cups for each age group will once again run alongside the matches. The cups are in memory of a club stalwart Kerwin Prisk, a gentleman that held most positions within the club and gave 54 years dedicated service. We feel it only right in his memory that the Fair Play Cups were named after him. Can we please ask the winning teams of them in 2018, that they are returned to St Day AFC by no later than 5<sup>th</sup> May 2019.

Entry FEE is only £25 per team and you may enter only 1 team per age group initially as we are only looking to run the one group. However please do comment if you feel you will have enough for two teams as in the past this has been helpful and accommodated.

If you are in need of any more information please contact Mark Leah, email: [markl@stdayafc.co.uk](mailto:markl@stdayafc.co.uk) Mob: 07875 596798 or feel free to look on our club website. Application form can be found on the website, places are only secure after the form and money has been received, a confirmation email will be sent to the given contact to confirm this.
