

MAY THE FOURTH BE WITH YOU

Sunday 4th of May 2014 is a day that will never be forgotten at St Day AFC. Goals, drama, end to end football, penalties, history making, high blood pressures and massive smiles were all on the list thanks to the U12s & U11s.

All players were treated just like professionals with an early breakfast at the club and special edition polo tops which were sponsored by Claire's Castles. A bus was laid on free for all players and parents and after a photo shoot at the club, everyone set off to Helston FC with optimism, hope and one big dream of us bringing home the two cups.

Pictured below are the two cup winning teams. The rest of the article and more pictures of the day can be seen on the club website.

Left: St Day Miners (U12s) winning the cup after exactly 30 years also they were presented with League Runners Up Medals.

Right: St Day Choughs (U11s) winning the league cup for the first time in the clubs history.

IT ALL CAME TOGETHER FOR A BIG SUCCESS

A marquee on Vogue Park Pitch, saw 260 people pack it out on Saturday 17th May for the Youth Sections Presentation Evening. Committee (from both adult & youth), Managers, parents, grandparents & family were all brought together.

A round marquee was erected thanks to Jellyfish Marquee Company, a bar installed thanks to Mark & Rachel Graham from the Star Inn @ Vogue recently named Camra Pub of the Year, a stage thanks to Scaffolding Solutions were all prepared ready for what turned out to be a fantastic evening.

Before we got underway a cheque was photographed with a represent from Barclays Bank, Petula Williams. Barclays match funded our fundraiser back in March & have donated £986.94 to the Youth of St Day, to which we are truly thankful. The money has been spent on all youngsters & provided free travel to & from Exeter City, Plymouth Argyle and Helston FC for the cup finals.
