WELCOME FROM THE CHAIRMAN

Good afternoon from Vogue Park, where today we welcome the players, officials and supporters of St Blazey AFC. Their most famous Cornish ground evokes great memories for St Day AFCs first and only winning of the Cornwall Junior Cup back in 2006, which was also the year we gained promotion to senior football via the Cornwall Combination league. Our visitors today have been one of the most successful clubs in Cornish football over the years, but as with other top clubs have gone through harder times recently, we wish you good luck in getting back to where your club belongs. We are also privileged to welcome Mr Simon Long who is normal seen assisting in the Barclay's premier league but we are glad he has taken time out to officiate our match today.

Good luck to our reserves who host Camborne School of Mines in the Dunn Cup over on our second pitch also kicking off at 2pm and to our thirds who visit Gwinear Churchtown this afternoon, keep up the good form lads. On that note a warm welcome to a recognised referee to Vogue Park Mr Ken Keemer who officiates in the Dunn Cup today.

Tomorrow we remember one of our all time great stalwarts Kerwin Prisk. Kerwin served this club for 53 years and we proudly dedicate tomorrow in his memory. There will be youth matches in the morning followed by a Present XI v St Day Vets at 2pm, we are thankful to all our managers and to the vets team who are being managed by Phil Richards. There will be a BBQ along with the kitchen and bar being open and I hope as many as possible can attend to make this tribute to him another memorable day.

Best Wishes
