ST DAY Youth Football Section Season 2018/2019

ADMINISTRATION/PARENT SUPPORT

St Day Football Club has become a big club within the local area and is consequently a major organisational challenge. There is an urgent need for parents to support the club or assist in fundraising activities. Volunteers are required to assist with coaching, refreshments, shirt washing, match referees and most importantly the setting up and dismantling of the pitches. Any parent willing to manage or sponsor a team is requested to contact the Chairman or Team Manager.

MEMBERSHIP & TRAINING FEES

Our annual membership & training fee is to be paid in one combined fee. Following the AGM on Friday 13th July 2018, it was agreed to streamline the administration of the club subscriptions. The fees for the first player will be £100 and £65 for subsequent children. This is a freeze on membership fees which entitles a player to all training sessions, club socks and shorts, waterproof jacket and registration to the Kernow Youth League. However, the fee now includes a place at the Christmas Party for each player and each family will be guaranteed 4 tickets (2 adults and 2 children) to attend the presentation evening. The fees will go towards affiliation, training of coaches/managers, new equipment, trophies for the end of season presentation, the hire of the additional training facilities when required and most importantly anything that will aid the development of our children. There will be potentially 45 training weeks in the 2018/19 season. (Jul 18 – May 19 excluding 1 week in Aug for our Tournament, 2 weeks at Christmas & 1 in May for the presentation evening).

For those on benefits (i.e. Job Seekers Allowance or Income Support) the payment can be made in instalments - please contact the Chairman and/or Treasurer in confidence. Payment will only be accepted if accompanied by the correct paperwork and must be passed to the Club Assistant Treasurer (Rachel Richards) or Club Youth Secretary (Clair Richards). It has been decided to offer a reduced annual membership fee of £75 for children whose parents are Coaches and Committee Members of the club with the second sibling costing £50.

Please note that due to the club's insurance requirements, all players will be required to have signed on and paid their club fees in full by Friday 31st August 2018. Any players who have not paid by this date will not be permitted to play for the club in any league or cup competitions in the Kernow League which commence on the weekend of the 1st & 2nd September 2018.

NB: Please make cheques payable to "St Day Youth AFC"

We will continue to provide a specific sign on fee depending on at what point in the season a player joins - this to make it fair to all (Price includes membership & training fee):

Up to 30th November - £100.00 payable
Joining in December 2018 or January 2019 - £75.00
Joining in February - £60.00
Joining in March - £40.00
Joining in April - £30.00
Joining in May - £20.00

PLAYERS & PARENTS FINES

Please note that any players that receive fines from the League arising from dissent to match officials or violent conduct, will be liable for the payment of those fines. Fines received for other offences will be paid for by the club.

INSURANCE

The club takes out insurance cover for all members for capital benefits (permanent damage); some parents might wish to take out private insurance for any alternative cover that they require. The managers and coaches take all reasonable care with the children in their charge but do not wish to be liable in the event of an accident. Therefore, it will be necessary for you to sign a disclaimer before your son/daughter can participate in weekly sessions. All managers/coaches will have attended or will attend an FA child protection course.

WELFARE & SOCIAL MEDIA

The club employs a strict Welfare & child protection policy towards all children. The club, embracing the 21st century also uses social media. When signing your child on you must make it clear that you do not wish for photos to be used on these sites. All our teams now have Facebook pages which are closed member groups; this basically means only joined members can access the photos, match reports and information. There is also a Facebook group for the whole youth section which is a public group and a group that follows the adult section. Furthermore, there is a twitter feed which promotes information relating to the whole club. All of these sites are either run by a trained welfare officer or where a manager administers the site it is closely monitored by all 4 welfare officers. Any queries can be made direct through our Welfare Protection Officers Mark Leah, Helen Bryant, Lisa Clarke & Nikki Burrows.

KEEPING IN CONTACT

It is vital that when managers contact you as parents that a response is made to them as quickly as possible. If no required response is made it will be accepted by managers that your son/daughter is not available. If your child still attends the fixture/event, unfortunately your child will not be allowed to participate. If your email or contact numbers change it is your responsibility to make us aware of this so that your child doesn't miss out. The organisation of the; club, teams and parents is key to the successful running of this organisation so please co-operate in the above. When picking match day teams, managers will pick only the Kernow league maximum number of players for that league and will pick youngsters that have attended training, parents that have responded to messages on facebook and all on a rotational basis. In most cases, managers will select the required team number of players plus 2 or 3 subs maximum for a fixture. Please note that paying your annual subscription and training fee does not guarantee matches and from the 2018/19 season all contact must be made via facebook.

CHRISTMAS PARTY 2018

After the huge excitement and involvement from the whole club year on year we will be once again holding a Christmas party for ALL players and siblings of St Day AFC. Football players will get a gift that will hold the club badge on it and all other siblings will get a gift of great quality. The past five years has seen football players receive club polo tops, club boot bag, water bottle all with logo and their own initials on. Furthermore prizes have also consisted of a saints training t- shirt, personalised club socks and a club scarf. This year we will be holding the event **on Friday 7th December 2018** and Santa will be turning up and handing out all the presents to the children, the successful venue Raze the Roof, Penryn will be for our exclusive use from 7-9pm. The cost of this event is included in the annual membership fee and additional siblings can take part at a cost of **£12pp**. This by no means makes any money for the club – it is solely a way of paying for the gifts and the hiring of facilities.

CLUB LINKS, TRIPS & SOCCER SCHOOLS

Over the past five seasons we have gained a valuable link between ourselves, Plymouth Argyle FC, Exeter City & Redruth School. In the past couple of seasons we have ventured further and embarked on Premier League Fixtures at; Aston Villa, West Brom and Swansea. This season we will again run a trip to another Barclays Premier League club along with watching Plymouth Argyle or Exeter City. The trips will almost certainly take place in January and February and more information will be available on our website and Facebook pages. It will be again made an optional trip as some youngsters may not be available to go and we also appreciate money can create an issue. With this in mind, we will be opening the trip to all members of St Day AFC and the cost will be made as small as possible by the club through our own finances and fund-raising events. It has been suggested by some that parents could use this trip as a Christmas present to the players.

INTERNATIONAL LINKS

The club has created a very special link with AS DIRINON FC from France. The club is situated in a beautiful village near to Brest. After a fourth visit last year it clearly is a once in a lifetime opportunity for children and shouldn't be missed. Their annual international tournament held in around the Whitsun holidays is something special and another environment for the young children of our club to enjoy. The club has its own website www.as-dirinon.fr which is a must see. In June 2019 (Fri 7th-Mon 10th), we will be taking our U11s and U13s who will take part in both the tournament and friendly matches along with other activities. The trip will cost approx. £280 per child but we will look to gain sponsorship and fundraising events to bring this cost down. **A deposit for the trip can be paid in the very near future and those parents will eligible children will be talked to during the parents meetings at the start of the year.**

THE CLUB

It is well known that many clubs do not integrate but operate as separate units. This club is very different from that. We are the envy of many and that's because the club helps you and in return you can help the club. We can all help by supporting fundraising events, Christmas Parties, End of season awards and any trips the club holds. Everything we do is designed to benefit the club and create successful and integrated teams. Facilities can be hired for weddings, anniversaries, birthdays or any other special occasions, all contact details can be found on our website.

THE CLUB KIT

All players who register with the club will be provided with a match kit consisting of socks, shorts and team rain jacket. Please note that this kit is ONLY to be worn for matches and NOT for training.

All players MUST wear shin pads to all training sessions and matches – failure to do so will result in the player being made to sit out.

All kit requests and enquiries should be directed to Amanda Trowill, Contact details on website or through facebook.

ST DAY YOUTH AFC MISSION STATEMENTS

St Day AFC Mission

"To create an environment contributing to learning for players, coaches & parents through a family faith based community experience. To provide sound principles of the game for the player to excel and create their own path of success and necessary life tools to become a person our community is proud of"

St Day Player Vision

"To produce more players that are consistently competent, technically excellent and create players that are innovative through exceptional decision-making skills"

St Day Staff Vision

"To develop, teach, qualify and support our growing number of coaches who will have a player centred approach with sound knowledge of game principles and excellent teachers of the game for instilling tools for players' life skills"

FA RESPECT CAMPAIGN

Please note that it is a requirement of the Kernow League that all Clubs adhere to the FA's Respect campaign. Somethings to note of the respect rule, all spectators at matches will have to remain behind a line/barrier that is at least 1m from the touchline on one side of the pitch only, with coaches/managers on the opposite side. No spectators are to stand at either end of the pitch. The campaign is aimed at removing abuse of players and match officials from the game and the pressurisation of players by coaches/managers and parents. Please help us to maintain the Club's reputation by recognising and applauding good play and sportsmanship regardless of whether it comes from the home or away side. This year we have attached the Club Code of conducts to this pack.

As a club, last season we introduced a further show of respect from the children to parents and it was carried out very well but we would like to increase the emphasis on this during the forthcoming season. EVERY age group at the end of their match, home and away will give the parents and spectators a sign of respect. We as a club are asking parents and spectators to congregate together to receive an applause from the players. It will form part of their cool down where players will appreciate the spectators and dedication they have given to them. At home matches we would like to use our fantastic facility of the balcony. When the match ends as soon as possible it would be great to see as many parents get onto the balcony to reserve the applause, which could take place as quickly as 2-3 minutes after the final whistle.

The club will continue with the initiative that all players and managers greet each other by way of a handshake before and after training. Again, it shows further respect and manners from all involved which is the fundamentals of grassroots football that this club strives to deliver.

SPONSORSHIP & FUNDRAISING

The Youth Football section is expanding rapidly and urgently needs sponsors for kit/equipment and particularly practice balls. If you can assist, or know of a likely source, could you kindly advise the chairman if you have any connections. As every season as a club we like to hold family events to raise money for the players and the trips they will experience throughout the year. We will look to hold an auction night late November to raise money with our adult section towards the cost of the presentation evening marquee. Further to this bag packing, bingo and race nights will happen at the club and we would ask for your whole family support at these events.

WWW.STDAYAFC.COM

The club operates a successful website that is for the benefit of all associated with the club. The site is updated on a regular basis, sometimes daily with information and news about football, social and fundraising activities as well as important events, fixtures and results. Managers, coaches and parents are encouraged to use the site and have anything they consider a benefit to the club displayed. Match reports and images of games (action shots) are uploaded throughout the season; this is achieved by managers/coaches contacting the website with appropriate information.

INTRODUCTION TO COACHING AT ST DAY YOUTH AFC

The development of every child as a footballer and as an individual is our main objective. From the beginning we promise to do everything we can to ensure that this occurs in a safe and enjoyable environment. If you do, however, feel this is not the case then please inform a member of the coaching staff or the Committee. The FA Charter Standard scheme is designed to create the footballers and coaches of tomorrow with an outlet to adult football. The progression through the game formats is in line with the FA Future Game and England DNA strategy.

Under 10 years of age (U6s - U10s)

Rotation should be the ethos that is used within the age groups up to under 10's. The reasons and benefits of this policy are: Firstly, it promotes harmony and reduces conflict throughout the squad and is fair to all concerned. Secondly it shows that the team is set up for the good of all, and not for the individual.

Every player deserves the same amount of time playing the game of football. It creates a group of players who all feel valued by the coach and all get the chance to develop.

10 - 11 Years of Age (U11s & U12s)

Rotation should be part of the ethos that is used within these age groups between U11's & U12's, however merit should also be considered by the coach. This promotes harmony and reduces conflict throughout the squad and feels fair to all concerned. It again shows that the team is set up for the good of all, and not for the individual.

Looking at Merit the benefits of using this ethos are:

- ☐ Players push themselves to train and play to their maximum potential
- ☐ Creates a good work ethic within the team
- ☐ Builds respect between players and Coach
- ☐ Develops competition within the team that will help progress players

12 - 16 years of age (U13s - U16s)

Merit will be the ethos that shall be adopted by the coach the reasons and benefits of this are:

- ☐ Hard work is what the coach wants to see
- ☐ The games are about winning
- ☐ 100% commitment and effort is what the coach wants to see
- ☐ Winning is the focus and the players should be driven to achieve that goal
- ☐ Effort, commitment and application are required by the players from the coach.

Transition to Adult Football

As an FA Charter Standard Development Club, it is our aim to provide all our players a transition and outlet into adult football at every level of ability. St Day AFC offers three Senior teams and a we look to develop an U18s and U21s league in the coming seasons as players transition commences.

DID YOU KNOW? Manchester United won the league and the Champions League in 2007-8 without playing the same eleven in consecutive matches. Guardiola's Barcelona of 2008-9 made an average of 5 changes to the starting line-up in every league game. There is no secret; every team playing a high density of matches has to use rotation to maintain the level of performance, the competition within the squad and to avoid injuries if they want to get to end of the season with a chance of achieving their team and club objectives.

CONCLUSION

St Day Youth AFC has come a huge way from its reformation in July 2011 and it will continue to be a club for the family and for the future. It cannot be stressed enough that the club is run by the members and if you have an idea that can be seen to better us all please contact a member of the committee. We have always and will always strive for our children to be the smartest on and off the field as well as the most respectful and this won't change. These small factors allow us to reach the bigger heights and if everyone buys into the true values of the club, everyone gets the chance to achieve. Keep up the hard work of supporting your child in everything they do and as a club we will look to do our very best and give them the very best opportunities.

Yours Sincerely

Mark Leah
