## SAINTS SAY SORRY.....

It's with regret that I write this, but I'm sure not a surprise to anyone, St Day AFC have been kicked out of the Cornwall Senior Cup. We have apologised to Probus FC & CCFA. We would also like to say sorry to our own player Barry Hennesy for involving him in the scenario.

St Day AFC played an ineligible player, Danny Ford, not taking into account that he had not played a senior game previously this season. We felt that the matter was being dealt with the CCFA and it didn't need talking about anywhere other than between the 3 parties involved.

Can everyone now please accept our apologies, put the matter to rest and move on. We are not the first nor the only club that this has happened to but we've learnt our lesson and it won't happen again

*Kindest Regards*

*Tony Evans  
Chairman St Day AFC*

## CHRISTMAS PARTY....

Last year we held a Christmas party for all players, girlfriends, supporters & officials and this year we are going to do the same. Behind the bar you will see squares being sold for £1 which will make up the big Christmas draw to be held on the same night. Last year we had over 50 prizes with the top prize being a youth bicycle and many other donated and bought by local businesses. **GET YOUR SQUARES TODAY!!!!**

The date to be finalised is looking to be Saturday 15th December at the club along with a disco. On the same night the Ladies of the youth are going to be all going out for an Christmas Party and then returning to the club to join in the fun. So if you're a parent of a youth youngster and female contact youth secretary Clair Richards today for more details!!!!

The youth Christmas party is going to be held on **FRIDAY 7th DECEMBER** at 'RAISE THE ROOF', PENRYN from 7-9pm. The committee have worked hard to find the venue, time & date and the presents, which we understand is not good for everyone but we were not left with many options. The evening will consist of unlimited play for all children and ADULTS!!!!, There will be a chance for everyone to enjoy the laser tag room as well as the disco. Father Christmas will be attending at some point and hopefully you will be too. We have hired out all of raise the roof so it will be just us, St Day youth AFC in the building. If you have a son or daughter and would like them to attend please sign them up on the sheet attached to the youth section notice board in the clubhouse.

## STANDARDS ARE AWARDED.....

On Saturday 6th October, the club were officially awarded for becoming a FA Charter Standard Club.

Dave Bray, Vice Chairman of the CCFA came to the club to present the award to Tony Evans (Club Chairman), Mark Leah (Youth Chairman) and the rest of the club both Committee, Managers & Players.

**The Picture:** A small congregation of the club available to receive the award from Dave Bray.

Last month we reported about the coverage that the club was going to receive from a national magazine 'Football Focus'. Well we are pleased to announce that the magazine is out and can be viewed online at the following address [www.footballfocus.biz](http://www.footballfocus.biz). Also we are going to receive copies that will be available inside the clubhouse for you to look at as well. The club is a little disappointed that there are no pictures within our article and this has been raised with the company who produce the magazine. As a club we would like to express huge thanks to the four sponsors; Cornwall Cullet, Cornwall Wood Treatment, H & A Recycling & Brian Etherington Meats for sponsoring the page.

## CHILDREN'S UNIVERSITY IS COMING TO ST DAY YOUTH AFC

The Children's University™ is a national project which recognises the achievements of young people who take part in high quality out of hours learning activities.

These activities can be run at a school as an after school club or may be offered by other 'Learning Destinations', such as a museum, library or community club. The aim of the Children's University is to raise the aspirations of our young people by introducing them to a wide range of quality learning opportunities and a love of lifelong learning.

The students' achievements are celebrated and rewarded through certificates which they receive for completing 30, 65 and 100 hours of participation in validated activities. Bronze certificates are awarded in school assemblies but Silver and Gold certificates will be presented at local 'graduation' ceremonies. In Cornwall, the age range for Children's University is 5-14 but we plan to develop a similar programme for older students, linked in with external accreditation bodies. Full list of awards are as follows.....

30hrs (Bronze Award)  
65hrs (Silver Award)

## TIME CHANGE...

Please remember that all league kick offs now take place at 2:30pm due to the change of hour on the 27th October. Combination games will return to 3 O'clock from March 2013.

Cup games continue to kick off at 2pm and the Cornwall Senior & Junior Cup will kick off at 1:30pm.

## ANOTHER WORD FROM WILLY.....

It's sad to see the first team thrown out of the senior cup, a mistake that should of never happened, but as a club we should learn from this and not let it effect the great work that is going on from which the club is growing from strength to strength on & off the pitch.

All three teams are in great position in the league and the youth teams growing so big well done to all managers, Mark Leah aka (Bones) and the committee. Keep up the good work.

*Best Wishes*

*Alan Williams  
(aka Willy)*

## DINNER & DANCE TALKS & THOUGHTS.

As a committee we've talked about this season's Dinner & Dance. Previous years has seen the club have a very glorious marquee on the main pitch with a 3 course meal, inclusive of a bar and entertainment, dressed to the highest specification. Now we want to hear your thoughts, *do you want to do it again? Or something different?*

Another idea we came up with is to give everyone the chance to pay in instalments and what ever is left over after ticket prices you will receive back on the evening...like a small investments. *Again is this a good idea we want to hear your thoughts.*

The dates we are considering are Saturday 25th May 2013 or Saturday 1st June 2013, the season officially finishes on Friday 31st May are the dates above good in your eyes or would you want it earlier or later, *again lets hear your thoughts.*

The evening will be open to all players, girlfriends, sponsors, friends, parents and youth parents. In the last 2 years we have seen approx 100 people each year plus more in the evening can we make it more this year in what ever we decide to do .

Please remember it's your club, help us run it the way you want, contact a committee member TODAY and view your thought. We would like to make a decision soon to give people the most time.

## A BIG THANK YOU.....

Since September the youth fixtures both league & friendlies have come in thick and fast at all age groups. Some weekends Saturday or Sunday most times it's both. However whenever there is a game and don't forget always we see training at the club on a Saturday morning of around 50 youngsters, the kitchen is open and ready for business. A huge thank you must go to Clair Richards, Gwen Cox, Nikki Orchard, Carly Clarke, Rachel Richards, Tracy Anderson, Linda Jehu and any others i may have forgotten

**THANK YOU TO YOU ALL!! From Mark Leah**
