## Message from the Chairman

Well here we are now into December, unfortunately the end of November saw all our games cancelled due to the horrendous weather, so plenty of catching up to do later in the season, let's hope this weather will improve from now on, no more rain thank you!!

All 3 teams are doing well, the first team are up close to the top in the league, the 2nd team continue in the Percy Stephens Cup and the 3rd team continue in the Arthur Pearce Cup, both 2nds and 3rds also continue with other cup competitions, as well as being top half of the table. The youth section continues to flourish and I am very proud of their progress. Well done to all concerned.

We look forward now to our Christmas Party Night at the club, hope to see as many of you as possible to enjoy a good night with disco and the raffle.

May I take this opportunity to wish everyone involved with St Day AFC a very Merry Christmas and happy and healthy New Year, thanks for all your support, long may it continue.

*Tony Evans (Chairman)*

## CHRISTMAS PARTY....

The Main club Christmas party which is for all players, girlfriends, supporters & officials this year is going to be on Saturday 15th December at the club with HotSpace disco. Behind the bar you will see squares being sold for £1 which will make up the big Christmas draw to be held on the same night. Last year we had over 50 prizes with the top prize being a youth bicycle and many other donated and bought by local businesses. GET YOUR SQUARES TODAY!!!!

On the same night the Ladies of the youth are going to be all going out for an Christmas Party and then returning to the club to join in the fun. So if you're a female of the club and want a night away from your other half please contact youth secretary Clair Richards TODAY for more details!!!!

The youth Christmas party is going to be held on **FRIDAY 7th DECEMBER** at 'RAZE THE ROOF', PENRYN from 7-9pm. The committee have worked hard to find the venue, time & date and the presents, which we understand is not good for everyone but we were not left with many options.

The evening will consist of unlimited play for all children and ADULTS!!!!, There will be a chance for everyone to enjoy the laser tag room as well as the disco. Father Christmas will be attending at some point and hopefully you will be too. We have hired out all of Raze the Roof so it will be just us, St Day youth AFC in the building. If you have a son or daughter and would like them to attend please sign them up on the sheet attached to the youth section notice board in the clubhouse.

## CONGRATULATIONS.....

A big congratulations to Andrew & Holly Pooley on the birth of their twin boys Max & Harrison on the 20th October.

Also our congratulations goes to 1st team player Chris Tolley & his partner Chrissy, on the birth of their baby girl Elisia Louise on October 8th.

Furthermore our Best Wishes to youth parents Jenna & Brendan Dennis on the birth of Lily Claire Dennis on the 2nd November.

*Best Wishes from all at St Day AFC*

## FINAL NUMBERS

A request from Clair Richards that final numbers are given to her for the ladies meal on Saturday 15th December. All females of the club are welcome and is already well attended.

However if you would like to join in this great evening, I'm sure that will be packed with laughter contact Clair today.

### DINNER & DANCE TALKS & THOUGHTS.

As a committee we've talked about this season's Dinner & Dance. Previous years has seen the club have a very glorious marquee on the main pitch with a 3 course meal, inclusive of a bar and entertainment, dressed to the highest specification. Now we want to hear your thoughts, *do you want to do it again? Or something different?*

Another idea we came up with is to give everyone the chance to pay in instalments and what ever is left over after ticket prices you will receive back on the evening...like a small investments. *Again is this a good idea we want to hear your thoughts.*

The dates we have consider have been Saturday 25th May 2013 or Saturday 1st June 2013, the season officially finish on Friday 31st May are the dates above good in your eyes or would you want it earlier or later, *again lets hear your thoughts.*

The evening will be open to all players, girlfriends, sponsors, friends, parents and youth parents. In the last 2 years we have seen approx 100 people each year plus more in the evening can we make it more this year in what ever we decide to do .

Please remember it's your club, helps us run it the way you want, contact a committee member TODAY and view your thought. We would like to make a decision soon to give people the most time.

## ANOTHER WORD FROM WILLY.....

Its good to see the club still going strong and that all 3 teams doing well, especially the first team flying high in the combination league.

The seconds have got a big month coming up with two games against a very strong Illogan side.

Nice to also see the clubhouse so busy after the matches shows things are going well.

A Merry Christmas & Happy New Year to all.

*Best Wishes*

*Alan Williams  
(aka Willy)*

## A BIG THANK YOU TO.....

Paul Barker & Chuck Wilce. Both of these men give up there Saturday afternoons to run the line for the 2nds & 3rds respectively. As a club we would like to say a massive thank for doing this sometimes thankless job. The managers, players and the committee thank you for the job you have done so far this season and hope that you continue to help the club out.

By having these men not only allows managers to have a full set of subs, it makes the club look more professional by having qualified people in the correct places. A qualified assistant referee is required in the combination league, in this we have Dave Searle & Adrian Walters. Again a massive thank you to these gentleman for another task they both do for the club.

*Thank you to you all for what you do on the line....*

## QUALIFIED & SAFE.....

St Day can now boost even more qualified people involved within the club.

During October & November volunteers went through a lot of individual courses so that they become qualified for the youth section.

7 people now boost being level 1 coaches, which takes the total to 12 now involved in the youth section. This involved attending a safeguarding children workshop, first aid, LTPD workshop & 2 Sunday practical sessions. This took approx 21 hours over 4 weeks.

2 people became qualified as Welfare Officers, again this included attending safeguarding & first aid workshops as well as a welfare officers workshop. This took approx 10 hours.

All these people will be covered in next months edition but as a club we thank them for taking their time for the club.
