THANKS TO THE SPONSORS

ST DAY AFC would like to thank all sponsors of the club for the forthcoming season and especially thank again IHS Decorators and SJ Electrical for the sponsorship of new polo tops for the whole club. Also we would especially like to thank LWC Jolly's Drinks for a new club away strip and to Brian Etherington Meats for the new first team kit. So thank you to you all

Pictured below presenting the club with the new polo tops are from left to right, : Steve & Mike (SJ Electrical), Tony Evans (Chairman), Mark Etherington (Vice-Chairman)

If anyone is interested in sponsoring the club in any way big or small please contact Mark Leah or Mark Etherington for more details. As a club we understand the current economic climate and really will talk to you about getting the most for your money at St Day AFC. We can cater for all businesses and will endeavour to promote you and your business for many years to come. Once again thank you to all sponsors and please feel free to come along to the club at any time.

FROM THE NEW CHAIRMAN.....

I am very proud firstly to be asked, and then to be elected as your chairman for the next 12 months and it is my intention to give my utmost support to St Day Football Club which has been an important part of my life for more years than I care to mention.

To follow Kerwin who has been chairman for I believe, something like 15 years is a hard act to follow. However, with the backing of Brian Etherington our President, Mark Etherington as vice chairman, stalwarts such as David Searle (Secretary) and Adrian Walters (Treasurer), Ginny Kay (Fixtures Secretary), together with fresh blood of new committee members Jon Jordan and Mark Leah, I feel very confident.

I would like to congratulate Kerwin on being made a Life Member of the club. Few people are not more deserving of this honor than Kerwin. The many hours and effort he puts in behind the scenes for the club, that many of you will even be aware of.

I was very encouraged and delighted to see so many attending the first training session and I sensed a good atmosphere and attitude from all.

I look forward to working with Alan, our new 1st team manager, Garry Kay our 2nd team manager and Swanny who remains as our 3rd team manager for the good of all in my much loved St Day Football club.

SPONSOR'S DAY...

The club is looking to hold it's annual sponsors day towards the end of the season, with a date to be chosen in due course.

As last years day proved to be so successful, enjoyed by sponsors, players and committee members alike, we have decided to build on it and organize an even better day this year.

The committee has decided to hold the day on a Saturday at the end of the season, to keep it different and believe that sponsors can be busy around this time of year and hopefully we can give them plenty of notice in order for them to be part of the day.

PLAYERS & THEIR KIT...

The committee is asking that all players of the club, where possible wear their club tracksuit to and from games. Also now that will include a polo top that is the same right throughout the club.

St Day AFC is becoming more noticeable for looking smart and setting good high standards and therefore we do not want to let that slip.

Any player without a tracksuit or polo please speak to your manager or Mark Leah / Adrian Walters as we do have some in stock or if not we will have to order them which can take a couple of weeks.

If you look smart the club looks smart and this will attract more sponsors and supporters to St Day AFC

WHAT IS THE PLAN.....

This season the committee is in phase two of the development of the club. The first phase last season, was completed with great success and beyond what was achievable in the eyes of the committee.

This season we will look to stabilize the first team and we are hoping for them to finish within the top 8/9 of the league, however the committee members want to stress that we understand the situation with all three teams continuing to grow and develop, and don't want players to feel under pressure to reach this target. We are very confident that all players will do the club proud.

As for the junior teams we are unsure on what the leagues are going to bring in terms of football and with not knowing the ability of half the league we are asking that both teams finish around the mid table mark, and really just stay in their respective leagues.

Off the field we ask that we look smart in your St Day tracksuit every week and socialise with all afterwards in the bar, win, lose or draw, and obviously enjoy the banter.

Finally lets have another successful and an enjoyable season at St Day FC, and most importantly boys enjoy your football!!!!

ST DAY YOUTH AFC

As you know the club has started a youth section, which comprises of Saturday morning coaching sessions, from 10:30—12pm. It got off the ground six weeks ago and has really been successful with a total of 36 boys and girls between the ages of 6-12 signing up. On the 17th of September is the chance to sign up again for another six week block and for new people to enter.

If you know of anyone who would love to get involved please feel free to speak to Mark Leah. There is a limited number of places, to do with coach to kids ratio so be quick and sign up today.

As we mention the 6 week block will continue for the next 8 months in a view to putting teams in to the local leagues, which is looking ever more promising with the number of kids joining. Every 7th week is the week to sign up again and a game related week for the kids. For example on the 17th we will do a mini 4/5 a side tournament with them and in future look to have friendlies with other local clubs.
