March has been a bit of a topsy turvy month for me having been in hospital for an op as many of you know and I would like to say a big thank you for all your enquiries and good wishes. I am very pleased to say that I am back home again and recovering slowly but surely, I hope by the time this newsletter comes out I am back amongst you all again.

Obviously due to being out of action I missed the semi-final match of the Combination Cup, a belated well done boys. Hopefully by now this has changed into a triumph in the final, whatever happens it's great to have reached the final, the first time for St Day FC.

I am very proud of the praise afforded to the St Day Football Club for hosting the semi-final between Illogan RBL and Perranwell, thank you EVERYONE for all your hard work and the hospitality you gave to our guests. We have been asked now to host the semi-final of the Dunn Cup for the Trelawny League, all due to the reputation we have as good hosts.

At the time of writing this the Reserve team are still doing very well holding top position of the league, well done Alan, Swannie and all the team, keep it up boys.

The 3rd team unfortunately have dropped a bit in the league table but there are plenty more games to play to catch up. It's a tough job for Kieran sometimes getting a full team together, please give him all the support you can. The team are through now to the Semi Finals of the Russell Hall Cup against Porthleven Rangers, so we wish them the very best of luck for that match on 7th April at Carharrack.

*Kind regards to all
Tony Evans*

St Day is a very forward looking club and growing into something that we and your business can be proud of.

On average your sign could be seen by around 120 people every week.

NEW CLUB TIES

To continue with the clubs clothing brands we have, over the last couple of months, looked into a brand new tie for the club. We have looked over many designs, samples and ideas from other clubs and are now awaiting delivery of the final product.

Ties will be available for purchase, and will be on sale very soon. Keep an eye out for it on the website, club house or around someone's neck.

The final price is yet to be confirmed but as always as a club it won't be something we look to make money out of. Due to each tie being hand made and unique to the club that is going to effect the cost.

Mark Leah and all the youngsters on their visit to Plymouth Argyle FC. The youngsters and parents enjoyed a very long day out and something that everyone has requested happens next season.
