St Day hosts their annual 5 a-side competition in honour of Sheldon Mitchell and hopefully another cracking competition is in store.

This year it has been set to be held on the Sunday 11th August at Vogue Park in St Day. We will look to accommodate 20 male teams. Unfortunately due to a lot of local ladies friendly games that day, there will be no female league this year.

Teams must be entered and registered by 10am for the draw and like most competitions there will be group stages followed by knockout stages. We will be commencing games at 10:30am. Changing & showering facilities will be available to everyone on the day.

Entry is £15 per team and should be either a cheque sent to a Mr. Adrian Walters (Ashcroft, 80 Mount Ambrose, Redruth, TR15 1QR) payable to St Day AFC or email Mark Leah with your teams details.

SHARON WOOD TOURNAMENT

St Day Youth entered 7 teams in what was a great day out for every youngster involved with the club. On the day it was a pleasure to see all our youngsters looking the same in club kit, polos and their tracksuits. Once again the ladies of the club did us proud by erecting the official St day gazebo, with yellow/black bunting and a yellow/black windbreak which created a shelter and a base for the club whilst attending.

The under 7s, where we entered 2 teams both played 5 games each. Scores are not recorded as the youngsters play for fun. The under 7s were awarded the Fair play award for being polite, smart and always playing with a smile on their face.

The Under 8s, again we entered 2 teams. Both teams definatley holding there own against the other teams and a few players showed their potential. Again they also picked up the fair play award for the same reasons as the under 7s.

The Under 10s finished mid table with 1 win, 1 draw and 4 losses. Again a team that we can be very proud of. Always looking smart and with some very talented youngsters. Since then the U10s played in a derby game against rivals Carharrack. It was played as a curtain raiser to the recent charity match held at Carharrack FC. Final score Carharrack 2 St Day 7, well done to the whole team.

We also entered a team at U11s & U12s. Thanks to those players that helped us out on the day and well done to both teams. Both played fantastic football and both going through to the quarter finals. Unfortunatley both teams lost 1-0 in the quarter finals.

The club goes from strength to strength and its days like these that allow the whole club to be on display and show why it is the envy of many.

One final thank you goes to Hazel, a parent of the U12s team who on the day made a very special St Day cake. As you can see it is something really great and it tasted even better. The cake was enjoyed by every child and parent who attended which was a nice finishing touch before we went home, so thank you Hazel.

THE MEDIA OF THE CLUB.

Next season the club is looking for someone or a group to take on the publicity of the club. With social media, internet and advertising the club has grown to be very successful and one that many hundreds of people take an interest in every day.

What the club do already and would look to continue with, however trying to encourage new people to put their own design and ideas on the club is to update our very active website, Twitter account, Match Day programmes, newsletter, Parish News article and any advertising/promotional campaigns that need to be completed.

Currently all done by 1 person we know that it would be better spread amongst many.

Please contact either the youth chairman or adult chairman for more information and to express your interest.

Kernows Yummy Mummy are local girls trying to raise a large amount of money for a fantastic charity who sadly at this moment in time haven't got the funds to come to the south west.

The calendar is local yummy mummy's who have donated their time for this cause. Also giving up their free time is two fantastic photographers, makeup and hair stylists from truro college and many many more. We also did a skydive in April and a fashion show in February. So far they have raised £5,500 and you could make it more by buying a calendar. The calendars are only £5 and available online or call Nat on 07557986156. They will also be available from behind the bar from September. **Get yours today.**

SIGN UP EVENING..

St Day Youth recently held their sign on evening at the clubhouse. The evening gave all youngsters that were thinking or wanting to join the club that chance to sign up and collect all their club kit.

It was well attended and some 50 youngsters signed up and paid on the night with an expected 30 still to sign from last season.

The evening alone saw 7 new members sign on, and mostly within the younger age groups. With this in mind we may look to split the U7s into an U6s & U7s. This is a decision the youth committee need to make as well as find appropriate people to run the teams.

So if there is any willing volunteers to run our younger teams on a permanent basis to include weekly training please get in contact. The club will pay for all coaching courses and CRB/DBS checks.

Confirmed teams for next season are U7s, U8s, U9s, U11 & U12s.
